Engagement with the profession[2]

Each year the QCT engages with registered and preservice teachers across Queensland to develop understanding about the use of APST across career stages and to enhance understanding of registration requirements for teachers. Engagement in 2021 was primarily through online presentations, webinars, reference groups and the provision of digital and print resources.

>1,000 preservice teachers received QCT presentations

1,350 teachers participated in provisional to full registration workshops

4,060 viewed webinars
360 live
3700 upload views

224 supervising teachers participated in workshops

Promoting the profession[3]

50th Anniversary celebrations

Anniversary activities included: six regional celebrations hosted by stakeholders, a Ministerial function at Parliament House, a sponsor-funded Photo Competition and a ticketed stakeholder dinner at City Hall.
