

	Reporting period	Engagement expenditure incurred during the reporting	Purpose of engagement	Benefits of engagement	Notes
Deloitte Touche	2024	\$29,714.50	Evaluation of Certification Program	Accomplished & Lead Teachers to create efficiencies. The cost of this program was part of cost recovery from the Department of Education and was cost neutral to the QCT	
Ernst & Young	2024	\$4,060	Financial Optimisation Review Project	QCT undertook a review of the current financial processes to optimise our future financial security including efficiencies and maximising revenue. The QCT will benefit from Ernst & Young's financial expertise and provide management with an interactive financial model to support financial modelling in out years. This engagement extended across more than one financial year. Only expenditure incurred during the financial year is reported and does not reflect the cost of the full engagement.
