

# **Applicant Support Program 2024**

The Applicant Support Program is available to all eligible Queensland teachers intending to apply for certification at the Highly Accomplished or Lead career stage, from July to October 2024.

The program consists of a range of downloadable resources, and a series of video vignettes and interactive webinars that are designed to help applicants, referees, and school leaders to understand:

- the application process and requirements
- the role of the Australian Professional Standards for Teachers (APST) when applying for certification
- how to effectively evidence practice
- where to find resources and support.

Participants are encouraged to view the video vignettes outlined in the schedule below prior to attending a webinar. The webinars can help deepen your understanding of the topics presented in the vignettes.

#### Note: Registrations are essential for a webinar.

Each webinar is presented three times, but participants should only attend **one**. Webinar attendance numbers will be capped to optimise the opportunity for engagement.

For any enquiries related to certification, please email <a href="mailto:certification@qct.edu.au">certification@qct.edu.au</a>.

## **Program schedule**

### Term 3

Week 1	View the <u>Understanding the Standards video vignette</u>	Video
