

# Digital Portfolio User Guide

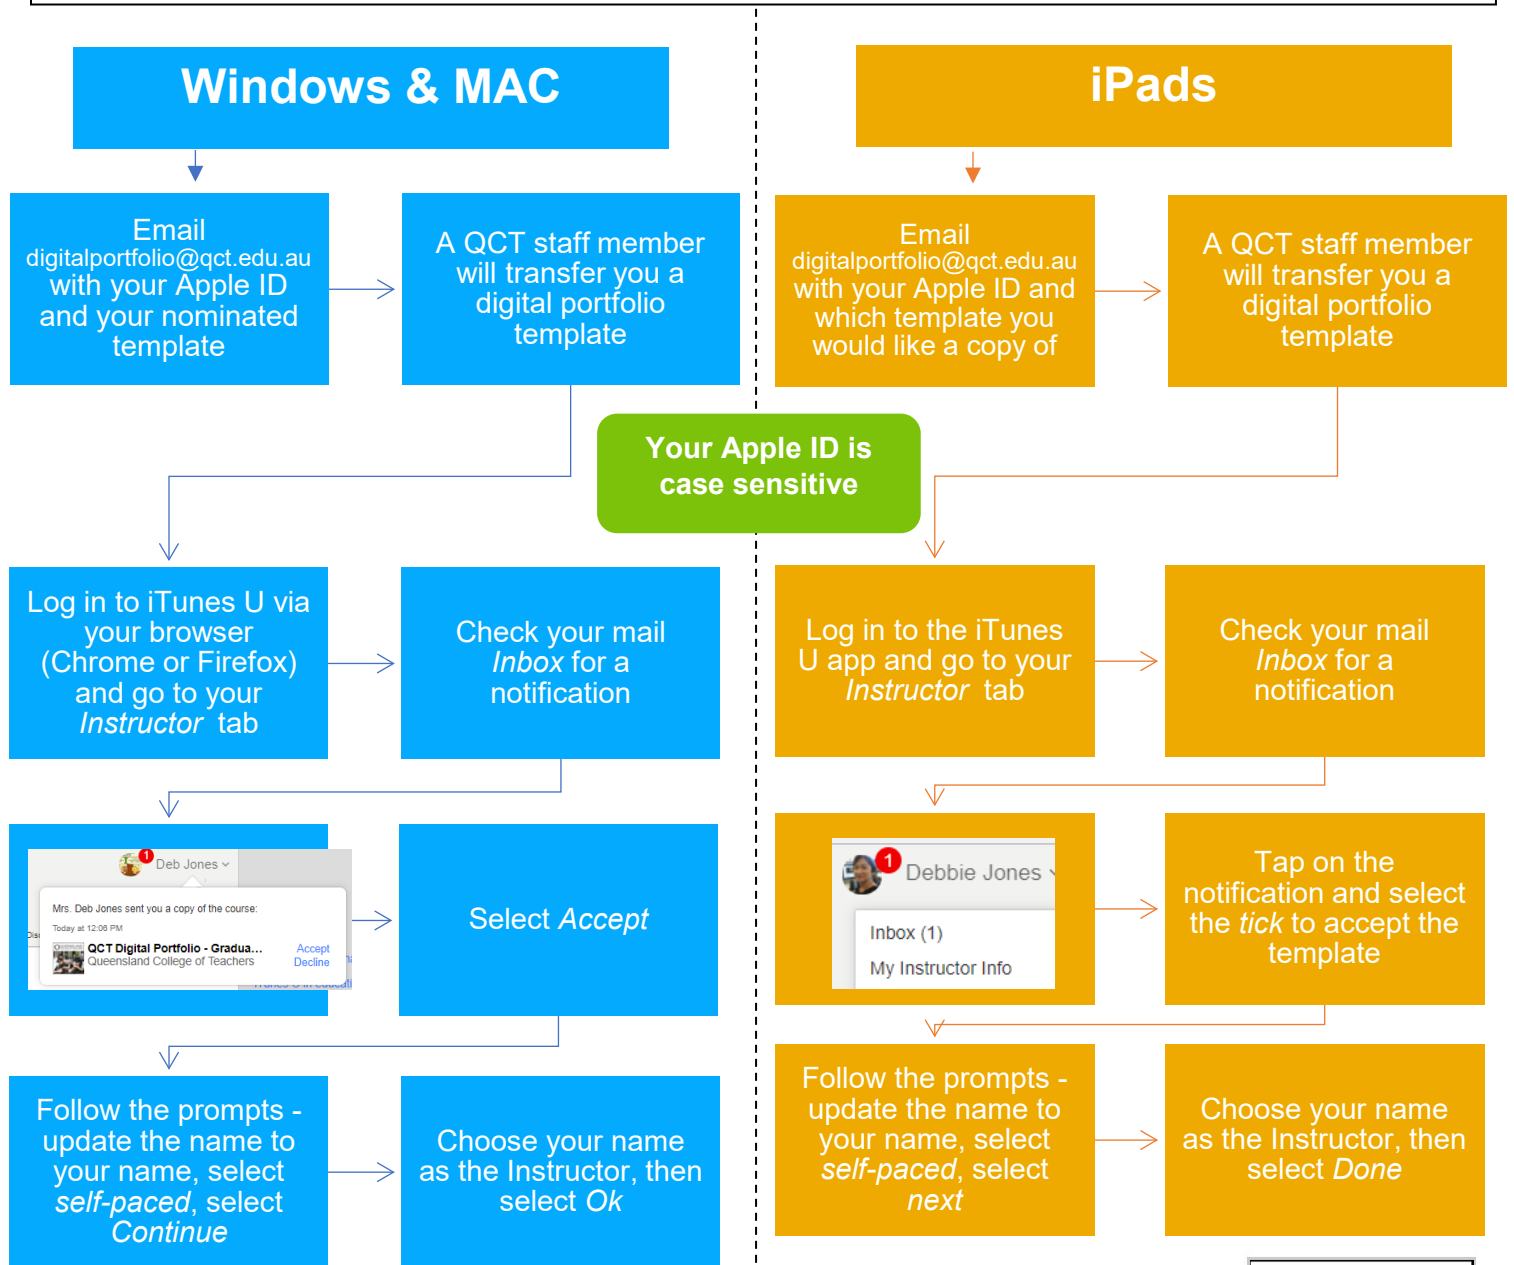

## Accessing templates

To access the portfolio templates, set up your Instructor profile beforehand.

This support page provides information for accessing the QCT digital portfolio templates.

Once you have completed this, the next step is to start building your digital portfolio.

The coloured boxes provide steps for iPads (orange), Windows/Mac (blue), All types (orange with blue border)

Digital portfolio templates are available for each of the career stages:

**Graduate, Proficient, Highly Accomplished and Lead**
